December 2022

Dear Friends,

It's almost Christmas! It is a time of wonder and miracles. Every December I write our Christmas newsletter and usually a column in it lists many of the projects and ministries of *Joy in the Harvest*. To me, it is a list of the miracles of God.

Christ teaches us about real faith in Matthew 6:6: **“But when you pray, go into your room, close the door and pray to your Father, who is unseen. Then your Father, who sees what is done in secret, will reward you.”** God wants our relationship and faith in Him to be real.

I'd like to share two experiences where God required faith from me. *Joy in the Harvest* had \$3,000 in the bank when we arrived in Tanzania. A few weeks later, ten thousand starving refugees walked into Kigoma. I knew what God wanted us to do. In faith, we used all our money to buy food for the refugees.

There is always a part of you that feels scared when you are on the ragged edge of faith. But another part of you knows something very good is happening. My faith had grown and I believed God could provide everything we needed.

One December, the ministry was in the most debt we ever experienced. Mindy contacted me and said the red ink was now deep red. I was disheartened as many needy people were waiting on me to help them right then. As I left our house to go meet with them, Claudia said, “Don't spend money we don't have.” I prayed as I drove there, not knowing what to do. The Lord spoke to my heart -- “I have called you to be my missionary. Go and do your job.” In faith, we helped them with money we didn't have. The next message from Mindy was incredible. She said something strange was happening. The Post Office box was filled with gifts like never before! We ended that year in the black.

Living in faith is not a license to be stupid, but a requirement to do God's will. From our first arrival in Tanzania with six boxes, to this vibrant, impactful ministry -- God rewards weak, stumbling, humble faith. And He will reward your faith also. Look at the baby in a manger and with faith you will find all you will ever need.

***MERRY CHRISTMAS***

**We started 2022 in Africa after being stuck in the USA because of Covid. A good start to 2022!**

The big project of 2022 was the construction of a new radio station on a mountain top about 2½ hours from our home. Its successful launch

opened up hundreds of thousands of new potential listeners to *Radio JOY*.

**We are trying to get our mailing list onto email. We are about half way there!**

We celebrated our 50th wedding anniversary. Our dear friends hosted a party and gave us wonderful gifts.

**Claudia had knee replacement surgery and is doing great.**

All the projects and ministries of *Joy in the Harvest* have blessed many people.

**We thank God for a great 2022. As we return to Tanzania, we look forward to Christmas in Kigoma with daughter Kimberly, her husband Daniel and children Eva and John.** ☩

### The New Land Cruiser!

After months of waiting, the new Land Cruiser was delivered by ship to Dar es Salaam. Two of our workers, John and Muyombi, were dispatched to get the vehicle and drive it across Tanzania to Kigoma. It is now safely sitting in my yard, waiting my arrival to put the *Radio JOY* stickers on it. I want to make sure they are straight! This is a huge blessing!

## QUESTIONS AND ANSWERS

# How Is Claudia Doing?

**Q. We have been praying for Claudia with her surgery and rehab. How is she doing?**

—asked by dozens

A. As you know, Lowell & I came to the states so I could have knee replacement surgery. Both of my knees are arthritic. The surgeon would not do both at once so we started with the right knee. I must admit, the first two weeks after surgery were very painful.

**No longer needing a walker or cane, Claudia is making progress getting back her range of motion.**

But I felt the power of so many people praying for me. I used a walker the first 2 weeks, then a cane for 2 days, but now I am doing well without them. Physical therapy is three times a week and is going very well.

My goal is to be home in Tanzania for Christmas. I'm happy to report, Lord willing, we'll get to Tanzania on Dec. 13th. Thank you for your prayers!
